

**Andrzej Szczypiorski, quotation from the interview 'Hamburgs neues Mahnmal' (Hamburg's new monument), Deutsche Welle/ SFB, December 6, 1999.**

[...] The idea of the monument and its art concept as well are wonderful. It is an incredibly difficult task. And what makes somebody give this a try? At this point I think the artist managed his task splendidly. I am not able to say whether a monument can please or not - this monument appeals, it makes a great impression. [...]
